

THE LOCAL LEGEND CHALLENGE

Official Terms & Conditions — Application & Award Program

Presented by Cosmoforge

NO PURCHASE OR PAYMENT OF ANY KIND IS NECESSARY TO APPLY OR TO BE SELECTED. The Local Legend Challenge is a skill-based, merit-judged application and award program. Selection is based on a panel of judges evaluating each application on its merits, not on chance. A purchase or payment will not improve an applicant's chances of being selected. Open only to eligible organizations headquartered in the Greater Sacramento region described below. Void where prohibited or restricted by law.

NOT AFFILIATED WITH GUINNESS WORLD RECORDS. The Local Legend Challenge and Cosmoforge are not associated with, endorsed by, or sponsored by Guinness World Records Limited. Cosmoforge cannot and does not guarantee that any record attempt will be accepted, recognized, or published by Guinness World Records or any other record-keeping body. See Section 11.

1. Sponsor and Administrator

The Local Legend Challenge (the “**Challenge**” or “**Program**”) is sponsored and administered by **One Life Productions LLC, a California limited liability company, doing business as Cosmoforge** (the “Sponsor,” “Cosmoforge,” “we,” “us,” or “our”), located at 8210 Fair Oaks Blvd, Carmichael, CA 95608. If a title or presenting sponsor is secured, the Challenge may be promoted as “The Local Legend Challenge Presented by Cosmoforge and [Sponsor Name],” but One Life Productions LLC dba Cosmoforge remains the sole legal sponsor, administrator, and operator of record responsible for these Official Terms.

These Official Terms govern the Challenge and form a binding agreement between each Applicant and the Sponsor. By submitting an application, the Applicant and its authorized Representative accept and agree to be bound by these Official Terms and by the decisions of the Sponsor and its judging panel, which are final and binding in all matters relating to the Challenge.

2. Definitions

“**Challenge / Program**” the Local Legend Challenge, the application-based, merit-judged award program described in these Official Terms.

“Organization / Applicant” the business, nonprofit, or other organization on whose behalf an application is submitted.

“Representative” the individual, age 18 or older, who completes and submits an application on behalf of an Organization and who represents and warrants that they are an owner, officer, or other duly authorized representative with authority to bind the Organization to these Official Terms. The Representative acts solely in a representative capacity, as an authorized agent of the Organization, and not in a personal capacity. The Representative's only personal obligations under these Official Terms are (a) their own representations that they are authorized to submit the application and that the information they provide is accurate, and (b) compliance with the dispute-resolution provisions of Section 16 solely with respect to those representations. All other obligations, releases, warranties, indemnities, and liabilities in these Official Terms run to and from the Organization, and not the Representative personally. Wherever these Official Terms refer to "each Representative and Organization" (or use similar language), that language binds the Representative personally only to the limited extent stated in this paragraph and otherwise binds the Organization.

“Eligible Region” the Greater Sacramento area as defined in Section 4.

“Finalist” an Organization selected to advance to the final stage of judging, as described in Section 6.

“Recipient” any Organization selected to receive an Award under these Official Terms.

“Grand Winner” the single Organization selected to participate in the world record attempt and to receive the Grand Prize.

“Grand Prize” the Award provided to the Grand Winner, as described in Sections 7, 7.1, and 11.

“Award (or Prize)” any award described in Section 7. The complimentary growth audit described in Section 7.3 is a free service and is not an Award.

“Service Credit” a credit redeemable only toward eligible Cosmoforge services, as described in Section 8.

“Participation Agreement” the commitment/participation agreement the Grand Winner signs as a condition of accepting the Grand Prize, as described in Sections 9, 11, and 12.

3. Program Period and Key Dates

All dates and times are stated in Pacific Time. The Sponsor may adjust these dates as permitted under Section 14.

- **Incorporation eligibility cutoff:** June 1, 2026 — the Organization must be incorporated, formed, or registered on or before this date.
- **Application window:** August 1, 2026 at 12:00 a.m. PT through August 31, 2026 at 11:59 p.m. PT.
- **Selection and judging:** approximately September through December 2026.

- **Finalist announcement:** approximately late October / early November 2026.
- **World record attempt (Grand Winner):** approximately early 2027.

Applications submitted before the window opens or after it closes will not be considered. The Sponsor's computer or designated platform is the official time-keeping device for the Challenge.

4. Eligibility — Organizations and Geography

4.1 Who may apply

The Challenge is open only to organizations — including for-profit businesses and nonprofit entities — that meet all of the following conditions at the time of application:

- the Organization's principal place of business (headquarters) is physically located within the Eligible Region; and
- the Organization was incorporated, formed, or registered to do business on or before June 1, 2026; and
- the Organization is in good standing and lawfully operating; and
- the application is submitted by a Representative who is at least 18 years old, a legal resident of the United States, and authorized to bind the Organization.

4.2 Eligible Region (Greater Sacramento)

The Eligible Region is defined solely by the list of qualifying five-digit ZIP codes set out in Appendix A (Eligible ZIP Codes). An Organization is within the Eligible Region if, and only if, the ZIP code of its headquarters (principal place of business) address appears in Appendix A. Any city or county name used in these Official Terms is provided for general orientation only and does not expand, limit, or override the Appendix A ZIP-code list, which controls.

For general orientation only, the Eligible Region corresponds approximately to the Greater Sacramento area bounded by Davis (west), Lincoln (north), Placerville (east), and Elk Grove (south), across portions of Sacramento, Yolo, Placer, and El Dorado Counties; these city and county references are descriptive and are not the eligibility test. Whether a headquarters ZIP code appears in Appendix A is determined objectively by the list itself. Where the Sponsor must confirm which ZIP code applies to a particular headquarters address, it will use the ZIP code assigned to that address by the United States Postal Service.

How particular situations are treated (Sponsor's determination is final): a home-based business qualifies if the home that serves as its headquarters is in the Eligible Region; a mobile business qualifies if its registered headquarters is in the Eligible Region (not merely where it travels to operate); a franchise location qualifies based on the headquarters of the applying franchise entity, not the franchisor; a business headquartered at a coworking or shared-office

space qualifies if that space is its bona fide principal place of business; and a business with a local branch but a headquarters outside the Eligible Region does not qualify. The Sponsor may request documentation to confirm any of the above.

4.3 Verification of eligibility

Applicants must provide the Organization's legal name, headquarters address, and formation/registration information. The Sponsor reserves the right to verify eligibility, including incorporation date and headquarters location, by reference to publicly available records (for example, the California Secretary of State business registry or equivalent), by requesting documentation (such as a certificate of good standing, formation document, or business license), or by any other lawful means. Failure to provide requested verification within the time specified by the Sponsor may result in disqualification.

4.4 Who is not eligible

The following are not eligible to apply or to receive an Award: (a) Cosmoforge and One Life Productions LLC; (b) their respective owners, officers, employees, and contractors; (c) any title, presenting, or other Challenge sponsor or partner, and their owners, officers, employees, and contractors; (d) members of the judging panel (including the Final Panel) and the Challenge's advisors and administrators; (e) the immediate family members (spouse, parent, child, sibling, and their spouses) and household members of any person in (b)–(d); and (f) any organization owned or controlled by any person or entity in (a)–(e). "Control" means ownership of a majority interest or the power to direct management.

5. How to Apply

Applying is 100% free. No purchase, payment, fee, or social share is required to apply or to be eligible to receive an Award, and none will improve an Organization's chances of being selected.

During the application window, the Representative must complete and submit the official online application form located at the Challenge website. A complete application includes: (1) business basics and goals (legal name, contact information, headquarters address, formation date, and the Organization's objectives); and (2) the Organization's story — its "why" — in the Representative's own words. Applicants must also provide the required consents described in Section 9 and Section 10 (excluding the optional marketing consent, which is not required to apply or to be selected).

Limit: one application per Organization. Multiple, duplicate, fraudulent, or automated submissions are prohibited and may result in disqualification. Applications that are incomplete, illegible, or that do not comply with these Official Terms may be rejected. The Sponsor is not responsible for late, lost, misdirected, garbled, or incomplete submissions or for any technical failures of any kind.

The Sponsor may reject or disqualify, at its sole discretion, any application that is plagiarized, fabricated, misleading, or spam, that infringes another party's rights, or that is submitted in bad faith or misrepresents the Organization, its operations, or its story.

Application materials will not be returned. The Applicant retains ownership of the content it submits and grants the Sponsor a non-exclusive, worldwide, royalty-free license to use, reproduce, and display that content for the purposes of administering and judging the Challenge, verifying eligibility, and the publicity and promotional purposes described in Section 10. Applicants should not submit confidential information, trade secrets, customer data, or third-party copyrighted or trademarked materials unless they have the right to do so.

By submitting an application, the Representative represents and warrants that all information provided is true, accurate, and complete; that the Representative is authorized to submit it on behalf of the Organization; and that the content submitted is original to the Organization, does not infringe the rights of any third party, and does not contain unlawful, defamatory, or objectionable material.

6. Selection and Judging

Recipients are selected on the basis of merit through a multi-stage, skill-based judging process. Award counts stated in Section 7 are maximum targets; the Sponsor may award fewer Awards in any tier if the volume or quality of qualifying applications differs from expectations, as further described in Sections 7 and 14.

6.1 Stage 1 — Eligibility and screening

Cosmoforge staff review all applications on a pass/fail basis for eligibility (geography, incorporation date, and completeness) and remove applications that do not meet the requirements of these Official Terms.

6.2 Stage 2 — Scoring and shortlisting

An internal Cosmoforge panel scores the remaining applications on a 100-point scale across the four criteria below. Within each criterion, judges assign a rating of Weak, Solid, Strong, or Exceptional, which maps to 25%, 50%, 75%, or 100% of that criterion's point value:

Criterion	Points	The question
Authenticity	30	Does it feel real, not packaged? Voice and specifics score high; buzzwords and generic mission language score low.
Founder / Owner Story	20	Is there a compelling person behind this organization?

Business Story & Local Impact	20	What does this organization do for the people around it? Concrete impact and real roots.
Why This, Why Now	30	Why does this applicant deserve this opportunity right now, does being selected genuinely matter to them, and how feasible is a world record attempt for this business?

A rating of Exceptional on every criterion equals 100 points. Judges may add a Mission Bonus of up to 10 additional points to the 100-point total for organizations with a substantive social, charitable, or community mission integral to their operations; the absence of such a mission is neutral and is not penalized. Business size, revenue, industry, an Organization's fit as a CosmoForge client, and the polish of the application itself are not scoring factors. The highest-scoring applicants advance as Finalists.

6.3 Stage 3 — Final Panel

A Final Panel of up to five members independently ranks the Finalists to determine the Grand Winner, Runners-Up, and Credit Recipients. Approximately 25 applicants advance as Finalists; of these, up to 19 receive a monetary-tier Award (one Grand Winner, up to three Runners-Up, and up to fifteen Credit Recipients). The Final Panel includes three CosmoForge representatives (chaired by founder Dillon William Hill, whose vote carries equal weight), one seat that may be offered to a title/presenting sponsor, and one civic seat that may be offered to a chamber or civic leader from the Greater Sacramento area. All seats carry equal voting weight. The Sponsor will use commercially reasonable efforts to seat at least one independent (non-CosmoForge) judge on the Final Panel. If the sponsor seat or the civic seat is not filled, the Sponsor may, in its sole discretion, fill that seat with a CosmoForge representative or another person of its choosing, or leave it vacant; accordingly, CosmoForge may hold up to all of the Final Panel seats. The composition and members of the Final Panel are determined by the Sponsor in its sole discretion.

Conflicts and recusal apply to every judge, including CosmoForge representatives: any judge with a personal or business conflict relating to a Finalist must disclose it and recuse from voting on that Finalist, and the sponsor judge additionally recuses on any current client or competitor. All non-CosmoForge judges sign a non-disclosure and conflict-of-interest agreement. Deliberations are confidential.

Tie-breaker: if two or more applicants are tied in the Final Panel ranking, the tie is resolved in favor of the applicant with the higher Stage 2 weighted score; if a tie remains, the Panel chair makes the final determination.

6.4 Transparency

The judging criteria and the structure of the Final Panel are published when the Challenge opens. The Sponsor may, but is not obligated to, publish the names or biographies of individual

judges; if no independent (non-Cosmoforge) judge is seated on the Final Panel, the Sponsor will disclose that fact before final judging. Judging decisions are made in the Sponsor's and panel's sole discretion and are final and binding.

7. Awards

The Challenge offers the following Awards. The quantities below are maximums and may be lower; the Sponsor may award fewer Awards in any tier as described in Section 7.2 and Section 14.

Tier	Qty	Award
Credit	up to 15	A \$1,000 Service Credit toward eligible Cosmoforge services (see Section 8). ARV: \$1,000 each.
Runners-Up	up to 3	A \$5,000 Service Credit toward eligible Cosmoforge services (see Section 8). ARV: \$5,000 each.
Grand Winner	1	The Grand Prize: a world-record pursuit package with an approximate retail value of up to \$20,000, consisting of up to \$5,000 toward promotion of the attempt, up to \$5,000 toward execution of the attempt, and up to \$10,000 toward the official Guinness World Records application, plus hands-on support from Cosmoforge — and including a guaranteed minimum support value of \$5,000. All cash components are paid by Cosmoforge directly to vendors or as reimbursements against actual, approved, documented costs, and not as cash to the Grand Winner, except that any cash shortfall payable under the guaranteed minimum in Section 7.1 is paid in cash. See Sections 7.1 and 11.

Total approximate retail value of all Awards: up to approximately \$50,000. Actual value realized depends on services rendered and costs incurred. Awards are non-transferable and may not be assigned, sold, or exchanged. No substitution or cash equivalent is offered, except that the Sponsor reserves the right to substitute an Award (or component) of equal or greater value if an advertised Award becomes unavailable. The complimentary growth audit described in Section 7.3 is a free service, not an Award, and is not included in this total.

7.1 Grand Prize — cash mechanics and minimum value

The promotion, execution, and Guinness-application amounts within the Grand Prize are maximum, up-to amounts that Cosmoforge will apply only as necessary to pursue the matched record. They are not paid to the Grand Winner as cash. Cosmoforge pays these amounts directly to third-party vendors, or reimburses the Grand Winner, only for actual, pre-approved,

and documented costs, up to the stated caps and subject to the Participation Agreement. Because some records cost less to attempt than others, the full amounts may not be required or used; any portion not spent on approved costs is not owed or paid to the Grand Winner, and the Grand Winner is responsible for any costs exceeding the stated caps unless otherwise agreed in writing.

Guaranteed minimum value. Cosmoforge guarantees that a Grand Winner who earns it will receive at least \$5,000 in total value in connection with the Grand Prize, with any shortfall paid in cash, subject to all of the conditions and exclusions in this paragraph. This guarantee is a floor on the value Cosmoforge delivers to a participating Grand Winner; it is not a payment for winning, a success bonus, or a payment triggered by the outcome of the record attempt.

How it is satisfied. The \$5,000 minimum is credited first, dollar-for-dollar, against the actual, documented amounts Cosmoforge pays to vendors or reimburses to the Grand Winner toward the record attempt and associated event under this Section 7 (including amounts spent on promotion, execution, and the Guinness World Records application, and any promotional or advertising value delivered). Cosmoforge owes an additional cash payment only to the extent those amounts total less than \$5,000, and only up to the amount of that shortfall.

When it is owed. The guaranteed minimum, including any cash shortfall, is owed only if the Grand Winner (a) is and remains eligible and in good standing; (b) timely signs the Participation Agreement and all other required documents, including an IRS Form W-9 and any releases; and (c) actively participates in good faith in planning and pursuing the record attempt and associated event, cooperates as required under Section 9, and completes the attempt process to the extent Cosmoforge reasonably directs.

When it is not owed. No guaranteed minimum and no cash is owed where the Grand Winner (i) declines or forfeits the Grand Prize, in which case Section 12.2 governs any consolation Award; (ii) fails to sign the Participation Agreement or required documents within the time specified; (iii) is disqualified, is or becomes ineligible, or has materially misrepresented information; (iv) commits a cooperation failure or is otherwise removed for cause under Section 12.3; (v) abandons, refuses to participate in, or fails to reasonably pursue the record attempt or event, or does not wish to pursue the record and instead seeks the value in cash; (vi) by its own act or omission prevents, delays, or causes the failure of the attempt or event; or (vii) the Grand Prize, the associated event, or the Challenge is canceled, suspended, postponed, or materially modified under Section 14 or Section 18.3 (force majeure), in which case no guaranteed minimum or cash is owed beyond the value Cosmoforge has already delivered. For clarity, the guaranteed minimum is not increased, created, or made payable by the record attempt being unsuccessful or by any record not being recognized, approved, or published; the outcome of the attempt does not affect it, and Cosmoforge owes nothing beyond the value it has already delivered where that value is at least \$5,000.

7.2 Award counts may flex

Award quantities stated in Section 7 are maximums unless otherwise stated. The Sponsor may award fewer Awards in a tier only if there are insufficient eligible, qualified applications; if an

Award becomes unavailable and cannot reasonably be substituted; if the Challenge is modified or canceled under Section 14; or if no applicant satisfies the published criteria for that tier. The Sponsor may add Awards, or substitute an Award of equal or greater value, in its discretion. The Sponsor is not obligated to make an Award in any tier for which no applicant qualifies.

7.3 Complimentary growth audit

As a courtesy, and at no cost, the Sponsor offers a complimentary growth audit — an SEO/PPC audit with tailored recommendations, delivered as a written document produced by Cosmoforge — to eligible Organizations that submit a complete application, whether or not they are selected for an Award (including Runners-Up and Credit Recipients). The complimentary audit is a free service, not an Award or prize: no purchase is required to receive it, it has no cash value, it is not transferable, and no approximate retail value is assigned to it.

The scope, depth, format, and timing of each audit will vary based on the size and complexity of the Organization's business, and the Sponsor determines these in its reasonable discretion. To receive the audit, an Organization must request it by contacting the Sponsor; the Sponsor may (but is not obligated to) proactively contact selected Organizations to offer or schedule an audit. Audits not claimed within six (6) months after the close of the application window expire.

The complimentary audit is available only to bona fide, lawfully operating businesses that provide the information reasonably necessary to perform it. The Sponsor may decline to provide, or may limit the scope of, an audit where the applicant is not a bona fide operating business, where the application is incomplete, fabricated, spam, or submitted in bad faith, or where a meaningful audit is not feasible. The audit is provided for informational purposes only and does not constitute a guarantee of any particular business result, ranking, traffic, or revenue outcome.

8. Service Credit Terms

Service Credits (\$1,000 and \$5,000 Awards) are subject to the following terms:

- **Redeemable only against eligible Cosmoforge services**, defined as: Google Ads (PPC) management, search engine optimization (SEO), social media advertising management, and new website design/build. Setup and onboarding fees for these services are included.
- **Excludes pass-through and third-party costs**, including but not limited to advertising/media spend paid to platforms (e.g., Google, Meta), third-party software or subscription fees, domain or hosting fees, and any out-of-pocket costs Cosmoforge incurs on the Organization's behalf.
- **Applies to new engagements**. A Service Credit may be applied only to new or future eligible engagements, not to amounts already invoiced or paid.
- **No additional purchase required**. A Service Credit may be applied to eligible Cosmoforge services without any required additional purchase. If the services the

Organization selects exceed the value of the Credit, the Organization pays only the difference.

- **No cash value.** Service Credits cannot be redeemed for cash, are non-transferable, and may not be combined with certain other offers except at Cosmoforge's discretion.
- **Expiration.** Service Credits must be redeemed within 12 months of the date the Credit is awarded. Any unused balance expires at the end of that period and has no value thereafter.
- **Engagement and substitute.** Redemption is subject to a standard Cosmoforge services agreement. If Cosmoforge declines to provide the engagement for reasons other than the Organization's misconduct, ineligibility, non-responsiveness, or failure to sign reasonable service terms, Cosmoforge will provide a substitute service or deliverable of equal or greater stated value.

9. Conditions of Selection and Recipient Obligations

As a condition of being named a Finalist or Recipient and of accepting any Award, the Organization (and, where applicable, the Representative and its owners) agrees to the following:

- **Finalist interview (all Finalists).** Completing a Cosmoforge interview is a condition of Finalist status. Declining the interview, or failing to schedule or attend it within the time the Sponsor specifies, removes the application from the Finalist list before the public announcement.
- **Content and media rights.** Permit Cosmoforge to film, photograph, record, and feature the Organization, its representatives, premises, and story in marketing, public relations, and other communications (see Section 10).
- **Active participation.** Commit reasonable time to any Award engagement and, for the Grand Winner, to planning and executing the world record attempt.
- **Good-faith cooperation (Recipients and Grand Winner).** Respond to the Sponsor's reasonable communications within five (5) business days; attend scheduled planning, production, or interview sessions (or promptly reschedule for good cause); follow the Sponsor's reasonable and lawful directions consistent with the Participation Agreement; and conduct all dealings professionally and in good faith. Persistent or material failure to do so is a "cooperation failure" and is subject to the notice-and-cure and substitution provisions in Section 12.3.
- **Case study and honest feedback.** Participate in a results case study and, if providing any testimonial or endorsement, provide only honest opinions and accurate statements. A positive review is not required to receive or keep any Award, and the Sponsor will clearly and conspicuously disclose material connections (including that the Organization received an Award or service value) in any published endorsement.

- **Formal acceptance (Grand Winner).** Sign the Participation Agreement within 10 business days of private notification, as described in Section 12.
- **Verification documents.** Sign and return any affidavit of eligibility, liability release, publicity release, IRS Form W-9, and other documents the Sponsor reasonably requires, within the time specified.

Failure to comply with any condition, or any misrepresentation by an Organization or Representative, may result in disqualification and forfeiture of any Award at the Sponsor's sole discretion.

10. Publicity, Likeness, Data, and Consent

10.1 Publicity and likeness

Except where prohibited by law, by applying, each Representative and Organization consents to the Sponsor's use of the Organization's name, logo, city, story, statements, and the names, voices, and likenesses of its representatives, and any materials submitted, for advertising, marketing, public relations, and promotional purposes in any media worldwide, without additional notice, compensation, review, or approval. Finalists further acknowledge and consent that Finalist status will be announced publicly together with the Organization's name.

Any individual who appears on camera, or whose name, voice, or likeness is used, may be required to sign a separate personal release, and the Organization agrees to reasonably assist the Sponsor in obtaining those releases. The Organization is responsible for ensuring that it has the rights necessary to grant the permissions in this Section, including for employees, customers, volunteers, and other persons appearing in submitted or captured materials.

10.2 Marketing consent (email and SMS)

Email. The application form includes an optional opt-in to receive marketing and promotional emails from Cosmoforge. Consistent with the CAN-SPAM Act, marketing emails identify Cosmoforge, include the Sponsor's physical postal address, and provide a working unsubscribe mechanism in every message.

SMS / text. Any consent to receive text messages is collected separately through a standalone, unchecked opt-in that is not required to apply or to be selected. By opting in, the Representative agrees to receive text messages from a Cosmoforge representative; message frequency varies; message and data rates may apply; the recipient may reply STOP to opt out or HELP for help at any time; and the applicable SMS terms and the Privacy Policy describe how messages are handled. Consent to any marketing communication is not a condition of applying for or receiving any Award.

10.3 Privacy

Information collected through the Challenge is handled in accordance with the Cosmoforge Privacy Policy, available at <https://cosmoforge.io/privacy-policy/>. California residents have certain rights regarding their personal information under the California Consumer Privacy Act, as amended by the California Privacy Rights Act (CCPA/CPRA), including rights to know, delete, correct, and opt out of certain uses of personal information; the Privacy Policy describes how to exercise these rights, how long information is retained, and the service providers with whom it may be shared. By applying, the Representative acknowledges that the Organization's and Representative's information may be retained and used by Cosmoforge for Challenge administration and, subject to the opt-in above, for marketing.

Recording of calls. The Representative and Organization acknowledge and agree that telephone, video, and online calls and meetings between Cosmoforge (including its representatives) and the Organization or its representatives in connection with the Challenge, including interviews, planning, and production sessions, may be recorded by Cosmoforge for quality, training, record-keeping, production, and dispute-resolution purposes, and that such recordings are handled in accordance with the Cosmoforge Privacy Policy. Cosmoforge will also provide notice at the start of a recorded call where required, and any individual who does not consent to being recorded should so state at the outset or decline to participate in the recorded portion.

11. World Record Attempt (Grand Winner)

The Grand Prize includes pursuit of an official world record together with Cosmoforge. The specific record is not predetermined; Cosmoforge will research and propose feasible record options and work with the Grand Winner to select one. The record attempt is expected to take the form of a public, in-person, mass-participation event in early 2027.

The Grand Winner acknowledges and agrees that:

- Cosmoforge and the Challenge are not affiliated with, endorsed by, or sponsored by Guinness World Records Limited, and Cosmoforge cannot guarantee that any record will be accepted, recognized, or published in any database or book.
- Cosmoforge will manage the official application process and will apply for up to two (2) record ideas and submit up to two (2) appeals (including appealing a failed submission at least once), but acceptance remains entirely within the discretion of the record-keeping body.
- Record attempts must strictly follow the record body's official guidelines and evidence requirements; insufficient or non-conforming evidence can prevent an award. The Grand Winner agrees to follow those guidelines and to help gather and provide the required evidence.
- Success of the Grand Prize is defined as Cosmoforge's good-faith support of the attempt and the resulting story and publicity — not the guaranteed issuance of any official certificate or record placement.

- A backup record concept may be substituted if the primary concept is not feasible or is not approved.
- The Grand Winner receives no right to use the Guinness World Records name, logos, certificates, “official attempt” branding, or record-holder branding except as expressly authorized in writing by Guinness World Records.
- The Grand Winner is solely responsible for the legal aspects of the record attempt and any associated event, including obtaining all required permits, licenses, and approvals, following the record body’s submission rules, complying with all applicable laws, and bearing legal responsibility and liability for the attempt and its conduct. See Section 15.

Cosmoforge’s obligations with respect to the record package are capped at the dollar amounts stated in Section 7 and are subject to the reimbursement mechanics and guaranteed minimum in Section 7.1 and to the Participation Agreement.

Cosmoforge believes in dreaming big. Cosmoforge will pursue the record in good faith but makes no guarantee of any outcome, recognition, certificate, database or book placement, or result of any kind.

12. Notification, Acceptance, and Backup Recipients

12.1 Notification and announcement sequence

Finalists are announced publicly after their interviews confirm participation. The #1-ranked Finalist is notified privately and becomes the Grand Winner only after signing the required acceptance paperwork; the Grand Winner is then announced publicly. Runners-Up and Credit Recipients are notified privately, concurrently with or after the Grand Winner reveal.

12.2 Grand Winner acceptance window

The #1-ranked Finalist has 10 business days from the date of private notification to formally accept and sign the Participation Agreement. If that Finalist fails to respond, declines, withdraws, is disqualified, or cannot be reached within the window, or fails to meet any condition of selection, the Award passes to the next-ranked Finalist, who then receives the same 10-business-day window, and so on. If the #1-ranked Finalist is otherwise eligible and in good standing but affirmatively declines the Grand Prize by written notice within the acceptance window, Cosmoforge will instead offer that Finalist a Runner-Up-level Award (a \$5,000 Service Credit under Section 8) in lieu of the Grand Prize, subject to the Service Credit terms and signing the standard paperwork. This consolation applies only to a timely, affirmative, good-faith decline. It does not apply, and the Finalist forfeits all Awards, where the Finalist is removed for cause under Section 12.3, including where the Finalist is or becomes ineligible, has materially misrepresented information, fails to sign or return required paperwork within the time specified,

cannot be reached within the applicable window, is non-responsive, or commits a cooperation failure. Offering a consolation Award under this paragraph does not reduce the number of Runners-Up or Credit Recipients otherwise selected and is accommodated under the flexible Award counts in Section 7.2.

12.3 Backup recipients and substitution

The Sponsor may offer any Award to an alternate qualifying Organization — including after a Recipient has been selected — if the selected Recipient: (a) is or becomes ineligible under these Official Terms; (b) has materially misrepresented any information; (c) fails to sign or return required paperwork within the time specified; (d) declines, withdraws from, or forfeits the Award, or cannot be reached within a stated response window; or (e) commits a cooperation failure as described in Section 9 (including persistent non-responsiveness, repeatedly missing scheduled sessions without good cause, failing to follow the Sponsor's reasonable and lawful directions, or acting in bad faith or unprofessionally). For a cooperation failure under clause (e), the Sponsor will first give the Recipient written notice describing the failure and at least five (5) business days to cure it; if the Recipient does not cure within that period, the Sponsor may withdraw the Award and offer it to the next-ranked or another qualifying Organization. Grounds (a) through (d) do not require a cure period. Detailed conduct, cooperation, and termination terms for the Grand Winner are set out in the Participation Agreement, and a material breach of that agreement is also grounds for withdrawal and substitution. The Sponsor may also withdraw the Grand Prize (or any Award) from a selected Recipient, and offer it to an alternate qualifying Organization, if: (f) the Recipient, or any of its owners or representatives, engages in, or the Sponsor reasonably determines has engaged in, unlawful conduct, dishonesty, fraud, or conduct that could reasonably be expected to harm the reputation of, or bring into public disrepute or scandal, the Sponsor, One Life Productions LLC, or any title or presenting sponsor or partner; (g) the Recipient refuses to sign the Participation Agreement or a reasonable service or event agreement, or conditions its participation on terms the Sponsor is unwilling to accept; (h) the Recipient cannot or will not obtain the permits, licenses, insurance, or approvals required for the record attempt or associated event, or cannot conduct it safely and lawfully; (i) the proposed record attempt or event is not feasible, cannot be conducted safely or lawfully, or cannot be approved by the applicable record-keeping body; or (j) the Sponsor reasonably determines that continuing to work with the Recipient would expose the Sponsor or its partners to material safety, legal, financial, or reputational risk. Except for a timely, affirmative, good-faith decline addressed in Section 12.2, any withdrawal, forfeiture, or loss of the Grand Prize under this Section 12.3 is a removal for cause, and the affected Recipient forfeits all Awards and is not entitled to any consolation Award.

13. Taxes

Each Recipient is solely responsible for all federal, state, and local taxes and any other costs and fees associated with the receipt or use of any Award. Where required by law, the Sponsor will issue an IRS Form 1099 reflecting the value of Awards made, and Recipients must provide

a completed Form W-9 as a condition of receiving an Award. The Sponsor does not provide tax advice; Recipients should consult their own tax advisors. Cash components of the Grand Prize are administered as direct payments to vendors or reimbursements against approved costs, except that any cash shortfall under the guaranteed minimum is paid to the Grand Winner in cash, all as described in Section 7.1.

14. General Conditions and Reserved Rights

The Sponsor reserves the right, in its sole discretion, to:

- modify, suspend, extend, shorten, or cancel the Challenge or any part of it, or amend these Official Terms, for any of the following reasons: (i) fraud, tampering, cheating, bot activity, or other manipulation that threatens the integrity or proper administration of the Challenge; (ii) technical, security, hardware, software, network, or platform failures that impair fair administration; (iii) an insufficient number or quality of qualifying applications in the Sponsor's reasonable judgment (a minimum-participation shortfall); (iv) errors in these Official Terms, in the Awards, or in judging or administration that cannot otherwise be fairly corrected; (v) a change in applicable law or regulation, a government action or order, or the advice of counsel that the Challenge or any component cannot lawfully proceed as designed; (vi) a force majeure event as described in Section 18.3; (vii) the inability, despite commercially reasonable efforts, to secure a venue, permits, insurance, sponsor, or other third party necessary to a component of the Challenge, including the world record attempt or associated event; or (viii) circumstances in which continuing the Challenge or a component would, in the Sponsor's reasonable judgment, create a material legal, safety, financial, or reputational risk to the Sponsor or its partners; or (ix) any other circumstance in which the Sponsor reasonably determines that modifying, suspending, extending, shortening, or canceling the Challenge is appropriate;
- cancel, postpone, or modify the Challenge, or decline to make some or all Awards, if the number of eligible applications received is insufficient in the Sponsor's sole judgment to fulfill the purpose of the Challenge (a minimum-participation shortfall);
- disqualify any Applicant or Organization that the Sponsor believes has violated these Official Terms, tampered with the application process, acted in a disruptive manner, submitted plagiarized, fabricated, spam, or bad-faith materials, or made a misrepresentation;
- substitute any Award (or component) with one of equal or greater value; and
- adjust the number of Awards made in any tier as described in Section 7.2.

The Sponsor may update these Official Terms before the Challenge opens by posting revised terms. After the Challenge opens, the Sponsor may amend these Official Terms only to correct non-material errors; to preserve the lawful and fair administration of the Challenge; to address fraud, technical failure, safety, or force majeure; to comply with legal or regulatory requirements; or to provide an Award or term of equal or greater value. The Sponsor will not materially reduce

an eligible Applicant's rights, change the published judging criteria, or reduce an Award after an application is submitted, except where necessary to comply with law, preserve the integrity of the Challenge, or address circumstances beyond the Sponsor's reasonable control. Material changes will be posted on the Challenge terms page and sent to affected Applicants at the email address provided in the application. Any attempt to deliberately damage the Challenge or undermine its legitimate operation may be a violation of criminal and civil law, and the Sponsor reserves the right to seek remedies and damages to the fullest extent permitted.

15. Release, Limitation of Liability, and Indemnification

By applying, each Representative and Organization releases and agrees to hold harmless the Sponsor, One Life Productions LLC, any title/presenting sponsor and other partners, and each of their respective owners, officers, directors, employees, contractors, judges, and agents (collectively, the "Released Parties") from and against any and all claims, liabilities, losses, damages, costs, and expenses arising out of or relating to participation in the Challenge, the acceptance, use, or misuse of any Award, or participation in any Challenge-related activity, including the world record attempt and any in-person event, to the fullest extent permitted by law. This release does not apply to, and the Released Parties do not seek to disclaim, liability arising from their own fraud, willful misconduct, or gross negligence, or any liability that may not be released, waived, or limited under applicable law; nothing in these Official Terms waives any right or remedy that cannot lawfully be waived.

To the fullest extent permitted by law, the Released Parties are not responsible for, and disclaim all liability relating to: technical, hardware, software, network, or other malfunctions; lost, late, misdirected, or incomplete applications; errors in administration or judging; or any injury or damage to persons or property arising from participation. In no event will the Released Parties' total aggregate liability exceed the greater of (a) the actual value of the Award the claiming party is entitled to receive or (b) US \$1,000, and in no event will the Released Parties be liable for indirect, incidental, special, consequential, or punitive damages. Some jurisdictions do not allow certain limitations, so some of the above may not apply to a particular applicant. The foregoing limitations and exclusions do not apply to liability for fraud, willful misconduct, or gross negligence, or to any liability that cannot be limited or excluded under applicable law.

Each Organization will defend, indemnify, and hold harmless the Released Parties from and against any third-party claim, demand, action, loss, liability, damage, penalty, cost, or expense, including reasonable attorneys' fees, arising out of or relating to: (a) the Organization's or Representative's breach of these Official Terms or any required agreement; (b) any misrepresentation or inaccurate application information; (c) submitted materials, including any claim of infringement, misappropriation, defamation, privacy violation, publicity-right violation, or failure to obtain required permissions; (d) the Organization's or Recipient's acceptance, use, misuse, or forfeiture of an Award; (e) any violation of law, permit requirement, platform rule, or third-party right; (f) any tax, reporting, employment, contractor, volunteer, venue, vendor,

participant, or attendee claim relating to the Organization's participation; and (g) for the Grand Winner, the record attempt and any associated event. The Sponsor may control the defense of any claim at the Organization's expense, and the Organization may not settle any claim in a manner that imposes liability, an admission, payment, or a non-monetary obligation on a Released Party without the Sponsor's prior written consent.

15.1 Live event — Grand Winner as responsible host

Any in-person event associated with the world record attempt is organized and hosted by the Grand Winner as the responsible party. The Grand Winner is solely responsible for the planning, safety, and lawful conduct of the event, including securing any venue, permits, licenses, and insurance; complying with all applicable laws and regulations; and preparing, collecting, and maintaining any assumption-of-risk and liability waivers from attendees, volunteers, and participants. CosmoForge's role is limited to providing funding (subject to Sections 7 and 7.1), marketing, promotion, and general support, and CosmoForge does not assume responsibility or liability for the event or for any injury, loss, or damage to any person or property arising from it. The Grand Winner releases and agrees to indemnify the Released Parties from and against any claim arising out of the event or the record attempt, to the fullest extent permitted by law.

As part of the Participation Agreement, and where applicable, the Grand Winner will be required to provide proof of liability insurance naming CosmoForge and One Life Productions LLC as additional insureds, venue and event permits, an emergency and safety plan, signed participant and volunteer waivers, vendor agreements, volunteer management, and accessibility compliance. The Sponsor may require approval rights over higher-risk activities as a condition of its support.

15.2 Third-party and partner offers

The Sponsor is not responsible for any product, service, credit, discount, or other benefit offered or promised by a sponsor, partner, or other third party in connection with the Challenge. Any such third-party offer is solely between the third party and the recipient and is subject to the third party's own terms; the Released Parties make no representation or warranty and assume no liability regarding any third-party offer or its fulfillment.

15.3 No Warranties

TO THE FULLEST EXTENT PERMITTED BY LAW, THE CHALLENGE, APPLICATION PROCESS, AWARDS, SERVICE CREDITS, COMPLIMENTARY AUDITS, PROMOTIONAL SUPPORT, RECORD-ATTEMPT SUPPORT, AND ANY CHALLENGE-RELATED SERVICES OR BENEFITS ARE PROVIDED "AS IS" AND "AS AVAILABLE." THE SPONSOR DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. THE SPONSOR DOES NOT GUARANTEE ANY BUSINESS RESULT, SEARCH RANKING, TRAFFIC, REVENUE, PUBLICITY VALUE, EVENT ATTENDANCE,

PERMIT APPROVAL, RECORD ACCEPTANCE, RECORD CERTIFICATION, MEDIA COVERAGE, OR THIRD-PARTY OUTCOME. NOTHING IN THIS SECTION LIMITS LIABILITY THAT CANNOT LAWFULLY BE LIMITED.

16. Governing Law and Disputes

These Official Terms and the Challenge are governed by the laws of the State of California, without regard to its conflict-of-laws principles. Except as provided in Section 16.1 (Binding Arbitration; Class Action Waiver), each Representative and Organization agrees that any dispute arising out of or relating to the Challenge or these Official Terms that cannot be resolved informally will be brought exclusively in the state or federal courts located in Sacramento County, California, and each party consents to the personal jurisdiction and venue of those courts and waives any objection to that venue.

16.1 Binding Arbitration; Class Action Waiver

Informal resolution first. Before initiating arbitration, the initiating party must first send the other party an individualized, written Notice of Dispute describing the specific claim and the relief sought — a claimant to the Sponsor at the address in Section 17, and the Sponsor to the applicant's address on file. The parties will then attempt in good faith to resolve the dispute informally for sixty (60) days after the Notice of Dispute is received. This requirement applies to each claimant individually and is not satisfied by a mass or form notice submitted on behalf of multiple claimants. Any applicable limitations period is tolled during this 60-day period, and no arbitration demand may be filed until it has expired.

If the dispute is not resolved within that period, then, except for the matters carved out below, the Sponsor and each Representative and Organization agree that any dispute, claim, or controversy arising out of or relating to the Challenge or these Official Terms — including its existence, breach, interpretation, enforceability, or validity — will be resolved by final and binding individual arbitration, rather than in court. The arbitration will be administered by the American Arbitration Association (AAA) under its Commercial Arbitration Rules then in effect (or, to the extent an applicant qualifies as a consumer, its Consumer Arbitration Rules) and, where applicable, its Supplementary Rules for Multiple Case Filings, as modified by this Section. The Federal Arbitration Act governs the interpretation and enforcement of this Section. Unless the parties agree otherwise or the applicable AAA rules provide, the arbitration will be seated in Sacramento County, California, and hearings for smaller claims may be held by telephone or videoconference. Judgment on the award may be entered in any court of competent jurisdiction. Questions of arbitrability and the scope, enforceability, and validity of this Section are delegated to the arbitrator, except that a court (and not the arbitrator) will decide whether the class action waiver below is enforceable and will resolve disputes about the batching of multiple filings described below.

Class action waiver. All disputes subject to arbitration must be brought in the parties' individual capacities, and not as a plaintiff or class member in any purported class, collective,

consolidated, private-attorney-general, or representative proceeding. The arbitrator may not consolidate more than one person's claims and may not preside over any form of representative or class proceeding. The parties do not agree to class arbitration. If this class action waiver is found unenforceable as to a claim seeking class or representative relief, that claim (and only that claim) will be severed and heard in the courts identified in Section 16, while all other claims proceed in arbitration.

Public injunctive relief. Nothing in this Section waives or limits any non-waivable right to seek public injunctive relief under applicable law. To the extent such a claim may be arbitrated, the arbitrator may award such relief only as permitted by law. If a court determines that a claim for public injunctive relief may not be compelled to individual arbitration, that claim will be severed and heard in the courts identified in Section 16, and all arbitrable claims will proceed in arbitration.

Coordinated or mass filings. If twenty-five (25) or more arbitration demands raising similar claims are filed against the Sponsor by or with the coordination or assistance of the same law firm or organized group, the demands will be administered as staged batches under the AAA Supplementary Rules for Multiple Case Filings: a limited initial batch will be arbitrated first as bellwether cases, and the remaining demands will be stayed (with any limitations period tolled) pending their outcome and a good-faith global mediation. This provision is intended to promote the fair and efficient resolution of large numbers of similar claims and does not waive any party's right to individual arbitration.

Arbitration fees. The Sponsor will pay the filing, administrative, and arbitrator fees to the extent required by the applicable AAA rules. Except where a statute or the arbitrator provides otherwise, each party will bear its own attorneys' fees and costs, and nothing in this Section requires a claimant to pay the Sponsor's attorneys' fees or costs.

Carve-outs and opt-out. This Section does not require arbitration of: (a) claims that qualify for small-claims court, which may be brought there; (b) a request by either party for temporary or preliminary injunctive or other equitable relief, including to protect intellectual property or confidential information; or (c) an action to compel, enforce, confirm, or vacate an arbitration award — each of which may be brought in the state or federal courts in Sacramento County identified in Section 16. A Representative or Organization may opt out of this arbitration and class action waiver Section by sending written notice to the Sponsor at the contact address in Section 17 within thirty (30) days after first submitting an application; a timely opt-out does not affect any other part of these Official Terms.

Survival. This Section survives the end of an Organization's or Representative's participation in the Challenge and the termination of these Official Terms.

17. Results and Contact

For confirmation of the official results once the Challenge concludes, or for questions about these Official Terms, contact the Sponsor at dillon@cosmoforge.io. These Official Terms are published at <https://www.cosmoforge.io/local-legend-challenge/rules>.

Legal notices to the Sponsor must be in writing and sent to: One Life Productions LLC dba Cosmoforge, 8210 Fair Oaks Blvd, Carmichael, CA 95608, Attn: Local Legend Challenge.

18. General Provisions

18.1 Severability

If any provision of these Official Terms is held invalid, illegal, or unenforceable by a court or arbitrator of competent jurisdiction, that provision will be limited or severed to the minimum extent necessary, and the remaining provisions will remain in full force and effect. The invalidity or unenforceability of a provision in one jurisdiction does not affect its validity or enforceability in any other jurisdiction. The Sponsor's failure to enforce any provision is not a waiver of that or any other provision.

18.2 Entire Agreement; Order of Precedence

These Official Terms, together with any document expressly incorporated by reference (including the Cosmoforge Privacy Policy and, for the Grand Winner, the Participation Agreement), constitute the entire agreement between the Sponsor and each Applicant regarding the Challenge and supersede any prior or contemporaneous understanding, advertisement, or promotional summary. In the event of a conflict, these Official Terms govern the mechanics of the Challenge (including eligibility, judging, Awards, and selection), while the Grand Winner's Participation Agreement governs the specifics of the world record attempt and any associated event. Any promotional summary, advertisement, or marketing material is subordinate to these Official Terms, which control.

18.3 Force Majeure

The Sponsor is not liable for any failure or delay in performing its obligations, or for modifying, suspending, postponing, or canceling the Challenge or any event, to the extent caused by events beyond its reasonable control, including acts of God, natural disasters, fire, flood, extreme weather, epidemic or pandemic, government action or restrictions, war or civil unrest, labor disputes, utility or network failures, venue unavailability, or other force majeure events.

18.4 Assignment

The Sponsor may assign or transfer these Official Terms, in whole or in part, to an affiliate or successor. Applicants and Organizations may not assign any rights or obligations under these Official Terms without the Sponsor's prior written consent, and any attempted assignment without consent is void.

18.5 Electronic Communications and Signatures

Applicants agree to transact electronically. Applications, consents, acceptances, and other documents submitted or signed electronically (including by clicking to accept or by electronic signature) are valid and enforceable to the same extent as handwritten signatures, and the Sponsor may deliver notices and communications electronically to the email address on file.

18.6 Notices

Except where these Official Terms specify otherwise, notices to the Sponsor must be in writing and sent to the address in Section 17; notices to an Applicant or Organization may be sent to the email or mailing address it provided in its application. Notice is effective on receipt or, for email, when sent (absent a bounce or delivery-failure notice).

18.7 No Agency or Other Relationship

Participation in the Challenge does not create any partnership, joint venture, employment, agency, or fiduciary relationship between the Sponsor and any Applicant, Organization, Representative, Finalist, or Recipient. No party may bind or incur any obligation on behalf of another, and each party acts as an independent party. Except as expressly stated in these Official Terms or in a separately signed agreement (such as the Participation Agreement or a CosmoForge services agreement), nothing in these Official Terms obligates the Sponsor to provide any services to, or enter into any business relationship with, any Applicant or Organization.

Appendix A — Eligible ZIP Codes
